unbliely express appreciation to such
imployers for this patriotic action.

"I have received letters from public
pirited citizens offering financial assistance in providing things which
might be needed, and which are not **GUARD OF DRONES** might be needed, and which furnished under regulations, or if furnished concerning which there might be delay in receiving. We do not desire to accumulate an unauthorized property which would only become an incomment. property which would only become an encumbrance in the event of movement of the command. However, motor trucks are always in demand and we find it difficult to obtain efficers chargers of required standards, both because of the cost to the officers and of their scarcity. If public spirited citizens are willing to loan motor trucks or saddle horses suitable for chargers to the division, they can be used to advantage."

General Says There Will Be No Immediate Move to Border—Horses and Motors Needed.

THREATEN DEATH TO AMERICANS

The trip to Camp Whitman from the division headquarters here was made in a drenching rain. The general appeared well satisfied with the mobilization of the guard and with his inspection of Camp Whitman this afternoon. "Contrary to the general idea the 60th was not ordered up here because of its battle reputation."

Some of the soldiers who had entrained earlier in the evening returned, and joined in drinking and rioting.
